

Dissatisfied with your life? Changing Careers? Have a Dream Project? Doing it alone?

By: Ann Condon

"One of my coachees just stopped by with a check and a huge smile on his face. We are just beginning our second month of coaching and he is already a new man. He is busy designing a logo, ordering the software that he needs, and consulting other professionals in his field for "hands on" consultations. His business is on its way and he believes in himself for the first time!"

Ann Condon's specialty is coaching individual just like you. Folks who are in small businesses and the professions, or who are engaged in a project such as writing a book, managing a wedding or planning a major life change-- as well as

Have you ever had any of these thoughts?
Dissatisfied with your life? Changing Careers? Have a Dream Project? Doing it alone?
I coach people like you who are having these concerns and more:
I have good skills and talents. Are they marketable? Where can I be fully me? Will I interview well? Will they see what an asset I am? Is there something out there for me? Will I recognize it? Will they recognize me? Is my resume solid? What happened to my dreams? Was that a glass ceiling I just bumped? Will this paralysis go away? Can I really enter a career track successfully? Maybe I should just hang on until I retire? Is this all there is? Is my future going to work out for me?
To all of the above...I answer YES! And I can guide you through it! Not only that, it's fun and exciting!

those who may not yet be engaged in change or in planning...those just thinking or hoping or even yearning....are her clients.
